DIVINE WISDOM FOR A GOLDEN ERA

Present Scenario

In today's hectic and chaotic world, no one can enjoy a fulfilling life under pressures of role, routine and responsibilities. Everyone, in one way or other, is searching for a sense of satisfaction and contentment in life. Though we invest most of our energies to lead a happy life of contentment, it apparently seems to be elusive. The pace and pressures are increasing tremendously instead of peace and pleasure. Hence instead of joy and profound happiness one is restricted to limited and temporary happiness. The erosion of values in the present society is a matter of grave concern for our educationists.

The contemporary study of spirituality encompasses a wide range of interests. These have come not only from the more traditional areas of religious scholarship—Theology, Philosophy of Religion, History of Religion, Comparative Religion, Mysticism—but also more recently from such diverse fields as Management, Medicine, Business, Counseling, Ecology, Communication, Performance Studies and Education – among many others. But parenthood of God and brotherhood of men is possible only through spirituality.

Need of the hour

LIFE has also been defined as the process of Learning, Indulging, Finding and Evolving. Evolving is only achievable through Re-discovering the Self. Those who are able to do so are fortunate and are able to rise above various dilemmas of life. The present conference intends to focus on the spiritual dimensions such as exploring Values and Spirituality as a New Wisdom for a new Era, experiencing the power of peace and empowering the true Self. Promotion of Values and Spirituality in the present educational system is a paramount need of the hour. Further this is the time for experiencing Values and Spirituality to overcome the natural disasters and to attain a safe and secure future.

Cordial Invitation

We, whole heartedly extend our warm invitation to the Chancellors, Pro-chancellors, Vice-chancellors, Education Ministers and Administrators, College Principals, Deans, Readers, HODs, Professors and Associate & Assistant Professors of various colleges and Universities of India and Nepal. We earnestly hope that you will find the Conference-Cum-Meditation Retreat a rewarding and memorable event in your life.
